

imagePROGRAF TM-350 MFP Z36 imagePROGRAF TM-355 MFP Z36

PERFORMANCE REIMAGINED

Streamline print and scan workflows with a sustainable 36" multifunctional printer. Benefit from less noise operation, enhanced productivity and intuitive functionality to create professional quality prints with sharp, crisp lines and vivid red colour - perfect for eyecatching CAD drawings and marketing materials. Boost productivity with integrated scanning functionality with print and scan at speed for an efficient workflow.

- Integrated functionality
 - Streamline print and scan process with a premium multi-tasking device. Embrace the 15.6" touchscreen panel on the scanner and latest software for seamless processing with printing and scanning simultaneously
- Professional printing quality

Use stable image enhancements to create sharp, crisp lines and new magenta ink for vivid red colour. As a result, you'll produce vivid and accurate CAD drawings, posters and educational materials

Enhanced productivity

Produce A1 CAD prints in just 17 seconds, or A1 posters in 22 seconds. Save time trimming excess margins with borderless prints of any sizes and easily meet higher print demand with larger ink tanks, quick processing time and a fast return from sleep mode

· Intuitive functionality

Follow easy instructions and take in important information like media type, remaining media and ink amount on a 4.3" touch screen panel. Save time by setting roll paper with quick access through a flat-top cover
