# Contex **SD**4400

SD large format scanners give companies an easy and affordable way to save time on in-house scanning activities. You get exceptional professional-grade performance with true 1200dpi optical resolution with speeds of up to 10 inch/second. The Contex SD4400 series is designed for high-volume productivity for businesses-critical imaging tasks. Whether you are a private business or government, Contex's range of SD4400 scanners is the right solution for improved efficiency and productivity. The 44" imaging area is designed to produce clean, sharp image quality on technical documents, sketches, and maps. Fast, simple image clean-up on old, faded, or poorly shaded documents, and safe handling of sensitive originals with no data loss in capture. Expand your business opportunities with Contex's versatile SD4400 scanners

contex
WHEN IMAGING MATTERS

## Key Features

- 1200dpi optical resolution, standard
- All-Wheel-Drive (AWD) for a perfect grip on your documents
- Exceptional Productivity, scanning up to 336 D-size color documents per hour (324 A1/hour)
- See what you scan with face-up scanning
- Scan-to-Net function for scanner sharing across a network, and sending files to remote PCs
- ENERGY STAR compliant, using less than 5W in standby

Lightweight scanner in a sleek and modern design making transport and setup an easy task.

Experience the competitive edge with true 1200dpi optical resolution and fast USB2 with xDTR.

## Value for Money

Contex makes it easy to scan technical documents, maps and drawings. The SD4400 series is built to withstand high-volume use on daily basis and is available in a sleek and lightweight design. With SD4400 you get a total scanning solution with leading-edge software that fits with your existing tools and business processes.

## Ease of Use and Productivity

Instant-on scanning and one-touch interface saves time in loading and scanning large documents. Nextimage software and WIDEsystem drivers make scanning to file, to print, or to the network fast and simple. Intuitive software makes the scanner easy to use and maintain.
