

**EPSON**<sup>®</sup>  
EXCEED YOUR VISION

Epson  
Stylus Pro **11880**

## The world's first true high-quality wide-format printer

Epson's flagship wide-format printer produces the ultimate in colour and black & white up to 64". Transform your print quality with Epson's latest breakthrough in inkjet printing, the Epson Micro Piezo TFP™ print head.

The Epson Stylus Pro 11880 showcases Epson's latest groundbreaking inkjet technologies. Create superb, long lasting, consistent results with the new Epson Micro Piezo TFP print head and Epson UltraChrome™ K3 inks with Vivid Magenta technology.

Produce true wide-format reproduction up to contract quality with improved tonal gradation, virtually no metamerism and reduced gloss differential. And you can enhance productivity thanks to its high speed, excellent reliability and media flexibility.

**A new standard in wide-format printing** – perfect for proofing, photography and fine art up to 64"

**The future of inkjet printing** – the Epson Micro Piezo TFP print head is a major improvement in quality and control

**Superb, repeatable, long-lasting results** – thanks to Epson UltraChrome K3 ink with Vivid Magenta technology

**Perfect colour and black & white prints** – create the best of both worlds with a single printer

**Improved image processing technology** – Super Halftone screening enhances image quality where needed

**Advanced ink system** – 8-colours with 3 blacks and auto switching between photo and matte black

**Media flexibility** – choose from a wide range of easy to install papers in matte, gloss and fine art

**Improved productivity** – speed, reliability and ease of use suit fast turnaround or overnight printing

### Key benefits:

- Epson's first true wide-format printer with the highest quality
- Discover the revolutionary new Epson Micro Piezo TFP print head
- Epson UltraChrome K3 ink with Vivid Magenta technology for superb colour
- Enhanced productivity with speed, reliability and ease of use

## Epson Stylus Pro 11880

<b>Size</b>	64" (1626 mm)
<b>Print technology</b>	Epson Micro Piezo TFP™ drop-on-demand ink jet technology Epson Variable-sized Droplet Technology and 3.5 pl Epson Ultra Micro Dot™ Print head configuration: 360 nozzles x 9 colours
