

RICOH

**Fast & User Friendly
Digital A3 Copying**

Aficio™ MP 1500

Taking Digital Care of your Copy Workflow

As competition increases, so does the need to manage your daily office tasks more efficiently. Copying still remains an important aspect of these tasks and often takes up a considerable part of your valuable time. Now you can spend less time on copy jobs and concentrate on more urgent matters. With the Aficio™MP 1500, Ricoh bundles speed and ease of use to raise the tempo of your day to day copy workflow. Engineered with cost efficiency and productivity in mind, this digital copy solution offers high output speeds, simple operation, optimum paper handling and A3 capabilities. The ideal office partner to keep up with your fast business pace!

- Very fast warm up and first copy speed
- Great media versatility
- Intuitive operation for optimum ease of use
- Designed to be cost efficient

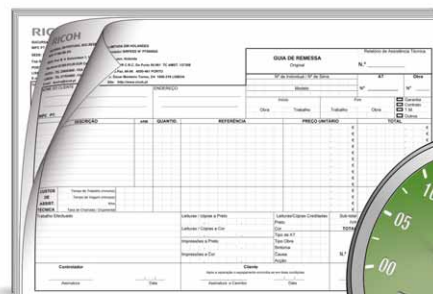

Bringing Productivity to your Office

Often you need just a few sets of copies, but you need them fast. The Aficio™MP 1500 makes sure you obtain them immediately. With a warm up time of less than 15 seconds and short recovery time, this system turns copying into a fast and productive process. Your first copy is out in less than 6.5 seconds while document sets are produced at a constant 15 pages per minute.

Unique A3 Copying

Excel files, diagrams, insurance forms... these are just some of the A3 applications you often use. Rather than first reducing your original, you can now copy it directly onto A3. Paper originals can be fed using the optional Automatic Document Feeder (ADF), other materials such as books and magazines can be scanned from the platen glass. Full A3 compatibility guaranteed!

15 pages per minute

A3

Reliable Expertise

Equipment you can depend on: it is vital in your busy office environment. Thanks to digital technology, the Aficio™MP 1500 has less moving parts which optimises its reliability and life cycle.

Optimum Paper Handling

Get through work faster using the Aficio™MP 1500's optional Automatic Document Feeder (ADF). Instead of copying a document set page by page from the platen glass, you can feed up to 30 originals into the ADF at a time. For special paper sizes or weights, there's the convenient bypass tray. The Aficio™MP 1500 can handle it all!

All-round Ease of Use

Designed to simplify your everyday tasks, the Aficio™MP 1500 comes with a straightforward and user friendly operation panel. Forget about user manuals and complicated procedures: this copy system guides you intuitively.

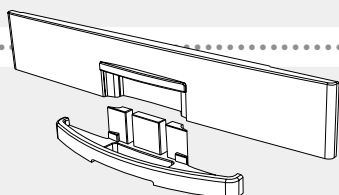

The straightforward and easy to use operation panel intuitively guides you through all your copy jobs.

Digital Advantages

Benefit from the digital superiority this system has to offer. As the Aficio™MP 1500 scans your originals just once and stores them into memory, all subsequent copies are produced from there. Whether you need one copy or ten, all output lives up to the highest quality standards and originals stay undamaged. Digital also stands for easy distribution: with the electronic sorter, the Aficio™MP 1500 delivers your output in practical, easy to remove batches you can hand out immediately.

There is no need to worry about continuous refills: the Aficio™MP 1500 offers a maximum paper capacity of 350 sheets.

Paper refills are simple as well: with the optional accessibility handle, it takes only seconds.

Aware of the Environment

Like all Ricoh products, the Aficio™MP 1500 reflects Ricoh's commitment to the environment through:

- the usage of toxic free materials*
- low power consumption
- clean and quiet operation

* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).

Aficio™ MP 1500

Specifications

COPIER

Copying process:	Laser beam scanning/marketing & electro photographic printing Dry, dual component toner development		
Copy speed:	15 copies per minute		
Resolution:	600 dpi		
Multiple copy:	Up to 99		
Warm up time:	Less than 15 seconds		
First output speed:	Less than 6.5 seconds		
Zoom:	50 - 200% (in 1% steps)		
Memory:	Standard:		16 MB
Paper input capacity:	Standard:	1 x 250-sheet paper tray 1 x 100-sheet bypass tray	
	Maximum:	350 sheets	
Paper output capacity:	Standard:	250 sheets (internal tray)	
Paper size:	Paper tray:	A5 - A3	
	Bypass tray:	A6 - A3	
Paper weight:	Paper tray:	60 - 90 g/m ²	
	Bypass tray:	52 - 162 g/m ²	
Magnification ratios:	4 reductions, 3 enlargements		
Dimensions			
(W x D x H):	550 x 568 x 420 mm		
Weight:	Less than 35 kg		
Power source:	220 - 240 V, 50/60 Hz		
Power consumption:	Less than 1.28 kW		

CONSUMABLES

- Black toner cartridge (yield: approximately 9,000 sheets¹)
